

How to **twitter**

We will be using Twitter, a social network, to update the redeployment ceremonies.

The advantage to Twitter is that you can be updated through a text message to your cell phone. You will get immediate updates on your Soldier's redeployment ceremony. We will maintain the website (<http://www.hood.army.mil/1stcavdiv/redeployment>) with current information Monday through Friday 0800-1700. It is recommended that you sign up with your battalion to receive updates to your cell phone to minimize the amount of messages you receive.

The only information that is released on Twitter is the same of that which is on the Redeployment Ceremony page. An example of a Tweet (message to your phone) would be: "Trigger 25 ceremony time has changed to March 9th at 1330. For more information please call 254-xxx-xxx "

Here is the Twitter Homepage <http://www.twitter.com>
